

## **'Mega deals' boost MiX Telematics**

Several "mega deals", including the award of the Eskom fleet tender, provided a boost to listed MiX Telematics in the six months to September. MiX Telematics yesterday reported unchanged diluted headline earnings a share of 3.6c in the six months to September. Revenue rose 1 percent to R435.6 million. Operating profit declined by almost 6 percent to R44.3m. – Roy Cokayne
